

**DBI-SALA™ is #1 in the development of reliable, versatile self retracting lifelines (SRLs).**

Our innovations include the first retractable lifeline, sealed SRL, RSQ dual-mode SRL, 3-way SRL with built-in retrieval and the impact indicator – important safety innovations which have now been widely adopted across the industry. When there is nothing between you and the ground but clouds, it doesn't make sense to choose another brand. Our SRLs meet OSHA and ANSI standards.

**HOW TO CHOOSE THE RIGHT SRL?**

- **HOUSING CONSTRUCTION**  
Thermoplastic - When weight is key  
Aluminum - When ultimate durability is required
- **LIFELINE MATERIAL**  
Wire rope or synthetic options for varying environments
- **SEALED DESIGN** For harsh/corrosive environments
- **RETRIEVAL** Ideal for confined space rescue/retrieval applications
- **RSQ** Built-in rescue allows user to be lowered after a fall either automatically or manually
- **FAST-LINE™** Allows user to replace lifeline assembly in the field
- **TIE-BACK** Eliminates the need for a separate anchorage connector
- **HARNNESS MOUNT** Direct connection takes the hassle out of fall protection
- **ARC FLASH RATED** Built to withstand the demands of electrical work
- **LEADING EDGE** Specialized lifeline and external shock for leading edge applications
