

# HLTFA402C Apply Advanced First Aid

On successful completion students will be issued with a Statement of Attainment in "HLTFA402C Apply Advanced First Aid".

## Course Aim:

This unit deals with the provision of advanced first aid response, life support, management of casualty(ies), the incident and other first aiders, until the arrival of medical or other assistance, and provision of support to other providers.

This unit builds on HLTFA301C Apply First Aid to include additional skills and use of a range of equipment.

## Prerequisite/Co-requisite:

This unit should be assessed after achievement of the following related competency unit:

- HLTFA301C Apply First Aid

This unit is structured to incorporate the content of:

- HLTFA404B Apply Advanced Resuscitation Techniques

## Course Objectives:

By the end of the course, the student will be able to:

- Manage specific injuries/illnesses and conditions
- Conduct an initial casualty assessment
- Plan an appropriate first aid response in line with established first aid principles, policies and procedures, ARC Guidelines and/or State/Territory regulations: legislation and policies and industry requirements and respond appropriately to contingencies in line with own skills
- Apply advanced resuscitation techniques as per HLTFA404B Apply Advanced Resuscitation Techniques
- Use a range of first aid equipment as outlined in the Range Statement
- Demonstrate the application of first aid principles
- Comply with OHS legislation
- Provide assistance with self-medication as per subject's own medication regime and in line

with State/Territory legislation: regulations and policies, and any available medical/pharmaceutical instructions

- Administer medication in line with State/Territory regulations, legislation and policies and any available medical/pharmaceutical instructions
- Demonstrate:
  - Safe manual handling
  - Adequate infection control procedures
  - Consideration of the welfare of the casualty
  - Safe storage and handling procedures for pressurised gases
- Prepare a written incident report or provide information to enable preparation of an incident report
- Interpret and use listed documents
- Communicate effectively and assertively and show leadership in an incident
- Make prompt and appropriate decisions relating to managing an incident in the workplace
- Use literacy and numeracy skills as required to read, interpret and apply guidelines and protocols
- Call an ambulance and/or medical assistance according to relevant circumstances and report casualty's condition

# HLTFA402C Apply Advanced First Aid

On successful completion students will be issued with a Statement of Attainment in "HLTFA402C Apply Advanced First Aid".

## Course Assessment:

Students will be assessed to determine their competency in this unit both theoretically and practically.

The theory assessment consists of multiple choice and short answer questions.

The practical assessment will require students to attend and treat casualties in a number of scenarios. Students will also be assessed for competency in HLTFA404B Apply Advanced Resuscitation Techniques which is incorporated into the structure of HLTFA402V Apply Advanced First Aid; CPR simulation will be performed on a manikin under trainer/assessor supervision.

## Course Duration:

24 Hours

## Course Location:

Unless expressly agreed, all courses are conducted at our Silverwater premises. Confirmation of course location will be provided at time of enrolment.

***Please contact us for course schedules and locations.***

## General Conditions:

- Cancellation of booking less than 14 days prior to commencement of the course will attract a 50% administration charge.
- No refunds will be payable after course commencement.
- Capital Safety reserves the right to cancel, postpone or vary course dates or venues.
- Capital Safety reserves the right to allow delegates a "once only" transfer between courses, venues or dates. Further transfers will incur an administration fee. Contact the office for fee information.
