

# PUAWER008B Confine Small Workplace Emergencies

On successful completion students will be issued with a Statement of Attainment in "PUAWER008B Confine Small Workplace Emergencies".

## Course Aim:

This unit covers the competency required to confine small workplace emergencies. Small workplace emergencies may include such incidents as a small fire that can be controlled using a nearby fire extinguisher.

This competency covers: preparing for emergency situations; identifying and assessing the emergency; safely confining the emergency where possible; first use of initial response equipment; and reporting workplace emergency response.

## Prerequisite and Co-requisite:

There are no prerequisite or co-requisite requirements for this unit of competency.

## Course Objectives:

By the end of the course, the student will be able to:

- Communicate in an effective manner
- Give and follow instructions
- Implement workplace procedures
- Re-stow initial response equipment
- Risk management
- Use initial response equipment, e.g. portable fire extinguisher, fire blanket, fire hose

## Identify:

- Appropriate initial response equipment
- Hazards involved with initial response action
- Implications of the incorrect use of equipment
- Situations that must not be responded to because of the risk
- Types of emergencies

## Course Assessment:

Students will be assessed to determine their competency in this unit both theoretically and practically.

The theory assessment consists of multiple choice and short answer questions.

The practical assessment will require students to contain a small workplace emergency, e.g. use portable firefighting equipment to extinguish a small fire.

## Course Duration:
